

## Ross Montessori School Employment Opportunities for 2019/20

We are always looking for caring individuals to be part of our learning community. For the 2019/20 school year, we are interested in meeting:

- credentialed Montessori teachers for all levels
- Director of Business
- Spanish teacher
- Substitute teachers
- Bus Drivers

Our professional staff enjoy a collegial and collaborative environment, competitive compensation based on credential and years of experience, Colorado PERA retirement benefits, personal and professional development opportunities, and excellent health benefits. We are located in the Town of Carbondale on the western slope of Colorado within the Roaring Fork Valley. Carbondale is continually rated as a top place to live and work for outdoor enthusiasts. Carbondale has a diverse and highly educated populace, more than 300 days of sunshine a year, spectacular views of Mt. Sopris, acres of parks and open space, a wide range of cultural activities, is forty minutes to Aspen, and three hours to Denver.

## **Ross Montessori School Mission 2045**

The mission of Ross Montessori School is to prepare compassionate life-long learners to have a positive impact on the world.

## Vision

We envision a time when Ross Montessori School will be an exemplary educational institution and recognized as such all over the world. Educators from all backgrounds will observe and learn from our model, grounded in the Montessori Method. Parents will choose our school over any other with a steadfast belief in the value we create for the children, families, and communities we serve.

Our children will be immersed in the joy of discovery. Programming will be enriched with art, music, and drama through all the seasons. Students will actively participate in community service projects and conservation programs, and every child will emerge a creative and competent problem solver.

We will send citizens into the world who have a profound impact on their communities. They will face adversity and challenge with humility, grace, and compassion. They will inspire others to better the Earth and its inhabitants. All who know them will be the better for it for generations into the future.

## **Core Values**

Children, Joy of Discovery, Dedication to Mastery, Compassionate Love, Community
